

The drawing illustrates a roof plan with a gabled roof. Key features include:

- Dimensions:** A horizontal dimension of 1300 is shown at the top left. A long horizontal dimension of 7900 spans the middle section. A vertical dimension of 2300 is indicated at the bottom right.
- Angles:** Two angles are labeled:  $68^{\circ}12'$  and  $68^{\circ}20'$ , likely representing the pitch or slope of the roof sections.
- Structural Elements:** The drawing shows the intersection of roof planes, walls, and possibly chimneys or ventilation stacks. Dashed lines indicate hidden or projected boundaries.
